INDIANA PROFESSIONAL STANDARDS BOARD

MEMORANDUM

To: Members, Licensure Review Committee (LRC)

From: Anne Moudy, Carolyn Babione, Chairs, LRC

Date: October 16, 2001

Present: Carolyn Babione, Earlene Holland, Gertrude Howard, Kathy Klatwitter, Anne Moudy, Mike Rokicki, Shawn Sriver, Kevin Walter, Jody Whicker

At 9:05 AM, Anne Moudy called the meeting to order. The following summarizes the main points of the meeting.

- I. Minutes were approved for May 10, 2001 and June 11, 2001 meetings.
- II. Introductions of the Licensure Review Committee (LRC) were made. Three changes were noted. Gertrude Howard was recently appointed to the IPSB Board. Earlene Holland is now on the faculty at Oakland City University. Shawn Sriver will serve as the IPSB staff person for the Licensure Review Committee.
- III. Shawn Sriver provided an update on the 2000-2001 Licensure Review Committee decisions. (See attached.) Shawn reviewed each area with the committee and LRC discussed each area to clarify additional attention needed by LRC. The content areas were clustered into the following categories by consensus of the group:

IPSB approved licensing areas based on NCATE affiliated standards:

Adaptive Physical Education
 Computer Education
 Gifted and Talented Education
 No further attention required by LRC at this time.

IPSB approved licensing areas requiring standards setting committees:

General Business Education
 Journalism
 Reading
 No further attention required by LRC at this time.

Content areas with no LRC licensing recommendations:

*Bilingual Education
 *Driver and Traffic Safety
 *Interdisciplinary Cooperative Education (ICE)
 *Speech Communications
 Technology Education (previously Industrial Arts)
 Motorcycle Education

*Further attention required by LRC. External individuals/groups will be contacted by IPSB staff and responses provided at the November 27 meeting.

Licensing Status Still Under Review by IPSB:

Communications Disorders

No further attention required by LRC at this time.

- IV. Anne Moudy introduced letters of support from two groups. A group representing Special Educators has petitioned for a fourth area designated for Emotionally Handicapped. A group representing Physical Science has petitioned for the re-examining of chemistry and physics coupled under Physical Science and a review of middle school/junior high licensing. At the committee's request, Marie Theobald conferenced with the committee to add clarification to the Physical Science request. It was the consensus of the committee that external individuals/groups will be contacted by IPSB staff and responses provided at the November 27 meeting.
- V. Other topics discussed by LRC:
 - Distinction and overlap between content and developmental standards
 - Middle school/junior high licensing
- VI. The next meeting was scheduled for November 27, 10AM. The starting time was moved to 10AM to eliminate overnight lodging expenses.

Meeting was adjourned.
